A Message from Mayor Annette Iafallo – Lackawanna City Hall and Senior Center to Fully Reopen to the Public on Tuesday, June 1.

I'm pleased to let everyone know that effective Tuesday, June 1, both Lackawanna City Hall and the Senior Center on Martin Road will be fully open to the public.

- CITY HALL hours of operation will be Monday through Friday from 9:00AM – 4:30PM, with the exception of the City Clerk's and Treasurer's offices which close at 4:00PM. No appointments are necessary.*

Following Covid-19 guidelines from Erie County government, all City Hall visitors will be required to wear protective face masks and follow social distancing and other protocols while in the building REGARDLESS of vaccination status. As the county updates their guidance, we will adjust our practices accordingly as appropriate.

- SENIOR CENTER meals, activity and van services will be fully restarted. Questions regarding these services should be directed to the Senior Center at 827-6669. PLEASE HOLD ALL CALLS UNTIL June 1 as the facility will not be staffed until then.*

Senior Center participants will be asked for proof of Covid-19 vaccination. Those partially or not vaccinated must continue to wear protective face masks and comply with social distancing protocols.

As a reminder, weekly meal orders are due to the Senior Center the Wednesday before by the week you will receive meals. For example, if you are requesting meal orders for the week of June 7th, your order must be received by Wednesday, June 2nd.

I want to thank everyone for their patience and cooperation during the long period of restricted or no activity in these city buildings due to the pandemic. While we still need to be cautious, there is finally some light at the end of the tunnel and we look forward to being fully open for business.

As always, stay safe. And God bless.

[*Annette Iafallo*](#)
